

GRCA's Family Cross-Country Ski Day Postponed Due to Lack of Snow

This event has been cancelled due to lack of snow.

The Ganaraska Region Conservation Authority (GRCA) is crossing their fingers for more snow! Originally scheduled for Saturday, January 30th, the GRCA Family Cross-Country Ski and Snowshoe Day, taking place at the Ganaraska Forest Centre, has been rescheduled for February 6th 2016.

There are still spots available, so please call to register for this fun event in the beautiful Ganaraska Forest. Start the session off with some basic instruction and end it with a guided ski through the forest. There are two sessions to choose from: 9:30am and 1:00pm – both lasting about 2 hours. After your ski, if you're feeling up to, why not attempt snowshoeing?!

There is a \$20 per person fee which includes equipment rental. Children must be 8 years of age or older to participate.

To get outdoors with the GRCA, participants must pre-pay and register by calling 905.885.8173.
