

The Ultimate Outdoor Lover's Summer Camp is Coming! GRCA's Nature Nuts Great Outdoors Adventure Camp is a Must-Do.

Thanks to the Rotary Club of Cobourg, the Ganaraska Region Conservation Authority's Nature Nuts Summer Camp just got a little more awesome. With generous funding providing by the Rotary Club for the camping supplies, the Great Outdoors Adventure Camp is sure to be a hit for the older campers!

"We recognize the importance of partnerships in the community and appreciate the opportunity to provide assistance," said Jim Mills, the Project Committee Chair, in presenting a cheque for \$3,700 to the Ganaraska Forest Centre Property Manager, Linda Givelas at a recent club meeting.

This newest camp, for children aged 9 – 14, will be a week full of outdoor fun. Starting with an orientation day for the campers to get to know each other through a variety of team-building games, campers will learn what to expect for the 4-day, overnight portion of the week. Everything from what to pack, to what to expect, will be covered. The following day, campers will board the bus from Ganaraska Millennium Conservation Area in Port Hope to the Ganaraska Forest Centre, where campers will eat, sleep and play, while under the continuous supervision of the Authority's certified teaching staff. Mountain biking, outdoor survival skills and Treetop Trekking are just some of the activities in which campers will be involved. Each night there will be a fun and entertaining program such as themed campfires or organized games. Campers will feast on the delicious meals provided by the Ganaraska Forest Centre's amazing kitchen staff. Then to cap off this awesome week, campers will set up the provided tents and bedrolls on the GFC grounds and spend a night under the stars, cooking, singing and socializing around the campfire.
