

Union Gas and Ganaraska Region Conservation Authority Partner to Make the Ganaraska Millennium Conservation Area Picnic Shelter Wheelchair Assessible

With a \$2,000.00 grant generously donated by Union Gas and the help of Union Gas employees, the Ganaraska Region Conservation Authority (GRCA) have installed a path and wheelchair ramp into the picnic shelter at the Ganaraska Millennium Conservation Area on County Road 28 in Port Hope. Many residents and visitors to the area enjoy picnicking in the Conservation Area while enjoying the natural beauty of the Conservation Area and the Ganaraska River.

“At Union Gas, we care about the environment,” said Ed Gouweloos, Union Gas utility services construction manager Cobourg. “We’re proud to support the important work that Ganaraska Region Conservation Authority is doing for environmental conservation in this community.”

For more information on the Ganaraska Millennium Conservation Area, the Ganaraska River, as well as other important projects the Ganaraska Region Conservation Authority is undertaking in our watershed, please contact the Conservation Authority at 905-885-8173.
