

CLEAN WATER — HEALTHY LAND

Financial Assistance Program

Improving Overall Watershed Health Through Stewardship

Do you want to do something on your property to conserve, restore or enhance the watershed and environment? Do you need technical assistance or financial resources to complete your project?

If so, consider the Ganaraska Region Conservation Authority (GRCA) *Clean Water-Healthy Land Financial Assistance Program (CWHLFAP)*.

The CWHLFAP is offered in partnership with, and within the Municipality of Clarington (GRCA jurisdiction only), the Municipality of Port Hope, the Township of Hamilton and the Town of Cobourg.

Who is Eligible for Funding?

Any person who owns property within a participating municipality, or a business, community group or school.

What are the Eligible Projects?

Any project that can improve, maintain or

protect water quality, quantity, and/or aquatic or terrestrial habitat is eligible for funding.

When Does Funding Occur?

Funding occurs throughout the year on a first come first served basis. Pick up your application today!

What Else Should I Know?

Funding must be approved before starting your project; retroactive funding is not provided.

Applicants are allowed two applications per year; and you have one year from the approval date to complete the project.
