

## CALLING ALL NATURE LOVERS!

The GRCA's Nature Nuts March Break Camp is designed, planned and delivered by Ontario-certified Outdoor Education teaching staff. Campers aged 7 to 11 are invited to participate in a variety of hands-on activities,

active games, group challenges, zany crafts and good-natured fun. Children learn how to survive in the great outdoors; design, construct and test structures, create messy science experiments, and so much more.
